SECTION 3. WAITING PERIOD

A preferential waiting period of 15 days applies for student healthcare admissions from the effective start date of coverage. Specified ailments including tonsillectomy, hernia repairs, and sinusitis are subject to a specified 12-month waiting period.

SECTION 4. DEDUCTIBLES AND CO-PAYMENT

A student-friendly annual deductible of Rs. 2,500 per policy year applies across all non-network claims. All emergency treatments rendered within university-affiliated campus health hospitals have zero deductible.

SECTION 5. MAJOR POLICY EXCLUSIONS

The insurer expressly disclaims indemnification for expenses relating to:

- Cosmetic dental: Cosmetic dental treatments, veneers, orthodontics, or cosmetic surgery unless necessitated by accidental trauma.
- Alternative treatments: Alternative medical treatments including untested holistic therapies, naturopathy, and experimental unapproved medication.
- Substance abuse: Substance abuse rehabilitation, alcoholism treatments, or injuries sustained while operating a motorized vehicle under toxicological influence.
- Weight reduction: Weight reduction treatments, bariatric surgical procedures, and obesity management programs.

SECTION 6. CLAIM SETTLEMENT PROCEDURES

Cashless hospitalization approval requests must be transmitted through the digital student claims portal within 12 hours of emergency intake.

Reimbursement claims must be accompanied by hospital discharge vouchers and submitted within 30 days of discharge.

A valid university student identification card must accompany all claims submissions.

SECTION 7. IMPORTANT LIMITATIONS

Psychological counseling sessions are limited to 10 consultation sessions per calendar year.

Worldwide emergency assistance coverage is restricted to 60 days of overseas study-abroad travel.
